UKTI's Tradeshow Access Programme (TAP) provides grant support for eligible Small & Medium Sized Enterprises (SMEs) to attend trade shows overseas.

Taking part in overseas exhibitions is an effective way for business to market their products, test markets, attract customers, appoint agents or distributors and make sales.

Participating as part of a group of UK businesses offers great advantage for inexperienced businesses when they exhibit as part of an organised group. Grant rates vary from £1,000 to £1,800.

Further information on eligibility and how to apply for support can be found at <http://www.ukti.gov.uk/tap>
